Home Inventory Worksheet

Jenkins Insurance is providing this Home Inventory Worksheet as a supplement to your Homeowners Insurance policy. An important part of protecting your personal property is knowing what you have. This worksheet will assist you in documenting your property.

We also suggest you take photographs to accompany this worksheet. They give details that written descriptions cannot. Photographs also document the quality, appearance, and size of items you own. Here are some additional tips:

- Open closet doors
- Check under beds
- Open bureau drawers
- · Open kitchen and bathroom cabinets and drawers

After the photos are taken, be sure to store a copy of the pictures in a safe place, away from your home.

Let us know if there is anything we can do to assist you with this important process.
